A Word from the Lord to the Church in America

Dated: 21 March 2021

1 Samuel 8:7

To the Church in America,

You demanded of Me a king in this man named Trump [1] and played the harlot before the peoples of the earth.

In this, you deemed Me unfit to rule My Church [2], so I removed Trump [3] and will now install a ruler who will lead in the spirit of Saul [4].

This new leader over America will persecute My Church to no end and drive it into caves of oppression [5]; only the wise will escape in My grace [6].

In this time, you will know that I love and rebuke My Church to present it to Myself without blemish [7].

Declares the Lord, who searches hearts and minds, and repays according to your deeds.
