

PROPHECY CHRONICLE

Edition 1

PETER DAL BIANCO

**A Vision of Mount Everest Trembling \\\\\\\\\\\\ Earthquake Warning to Nepal **

Received 29 December 2019

I saw Mount Everest and it was triangular as a pyramid with three (3) layers stacked upon another and I was standing at the top floor of a building surrounded by large multi-level buildings. A great earthquake occurred that shook violently Mount Everest and the earthquake moved quickly toward the building I was in and the neighbouring buildings began to collapse to the ground. In terror, I ran down the stairs for a number of levels for fear the building would collapse however it held up and I entered a food court. The people within the food court were unaware of the earthquakes and were not in the least concerned as I warned them. Vision ended

Comments

The three layers may represent:

- The 'Everest Trilogy' to eliminate ambiguity of the mountain & region. Mt Everest, Mt Nuptse and Mt Lhotse
- God will not relent from fulfilling the vision
- Number of earthquakes

If the Lord discloses the meaning of the three (3) layers I will provide an update below.

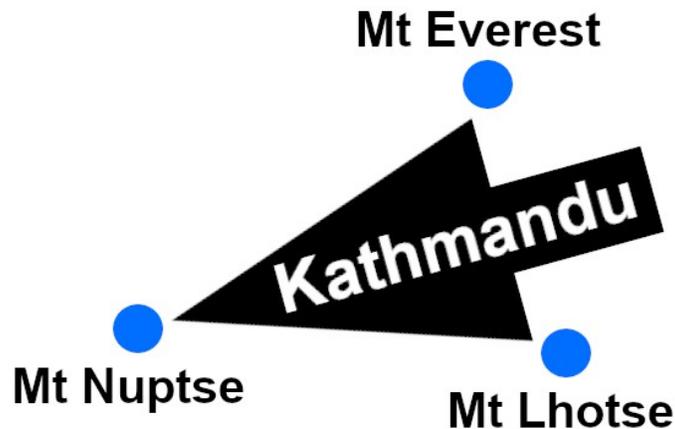

Updates

12 January 2020

I believe the Lord has now provided understanding of the three layers stacked to form a triangle.

The 'Everest Trilogy' viewed from the sky forms an arrow with Mount Nuptse at its point. The arrow points at 255 degrees from North in a West-South-West (WSW) direction. The arrow points directly at Kathmandu, the capital & largest city of Nepal. Kathmandu is a colourful city and also holds yearly 'The Festival Of Colours'.

A great earthquake is about to hit Kathmandu.

Romans 11:33

Oh, the depth of the riches both of the wisdom & knowledge of God!
How unsearchable are His judgements and His ways past finding out!

I also believe that God will not relent from fulfilling the vision. When the Lord provides explicit details of His plans in accordance with Amos 3:6-7 & Habakkuk 2:2-3 they are generally accomplished due to a flash-point being reached or triggered.

Psalm 145:17

The Lord is righteous in all His ways, Gracious in all His works.

The 'Colourful City' vision received on the 24 December 2019 relates to this vision.

A Vision of a Great Earthquake in a Colourful City

Received 24 December 2019

I was walking in a highly populated city that had many colours adorning the buildings and walkways. Suddenly, a great earthquake shook everything and it was so severe the buildings began collapsing around everyone. There were people everywhere screaming and running in terror. I also was terrified and attempted to find shelter under the tent canopies sheltering the footpaths however there was no escaping the falling debris as every structure began collapsing to the ground. Vision ended

A Word from the Lord

Received 9 December 2019

The Lord says:

“Behold! A day is coming upon the inhabitants of the earth where I will kindle a fire so large it will eclipse the entire earth.

This fire will reshape the course of history & the times will no longer continue as before.

My people will not be found saying, “The Lord delays!” for they will live within the hour of My visitation.

The Bridegroom will arrive & the wise will arise to meet Me.

Take heed to My words oh inhabitants of the earth, for I have arrived in due time to redeem what is Mine.”

Psalm 27:5

For in the time of trouble
He shall hide me in His pavilion;
In the secret place of His tabernacle
He shall hide me;
He shall set me high upon a rock.
