A Vision of Coronavirus/COVID19 Impacting Australia

Received 12 May 2020

I was in Australia among a very large crowd of people. I was anxious of an impending explosion and fire that was about to engulf where we were standing. The majority of the crowd were not aware of what was about to unfold however many understood clearly.

There was a tremendous explosion far away and everyone became immediately aware that a great fire was heading toward us which would destroy many people in its path.

I witnessed this great fire approaching that reached to the sky and had the appearance of a fiery tsunami engulfing and consuming many people as everyone began running in terror however there was no escaping this great fire.

As it was approaching I asked a man standing close by if he knew what it was. He told me he was aware that it may come but was shocked that it was so terrible. I asked a lady standing to my right the same question however as she began speaking the fire consumed us all. Vision ended

I prayed to the Lord for understanding and whether the fire in the vision was the Coronavirus/COVID19 fire he showed me on the 9 December 2019 & 28 February 2020 [refer Editions 1 & 2]. The Lord confirmed that the virus will engulf Australia shortly and it will be catastrophic as seen elsewhere in the world.

For some months the Lord has been showing me that the Coronavirus/COVID19 will impact Australia worse than Italy although not quite as severe as the USA. This vision now confirms the word the Lord has been showing me.

Australia must be prepared. As I write this the Australian media is reporting, "No new coronavirus cases recorded in New South Wales".

I am reminded of the following incident in the Scriptures during Jeremiah the Prophets age.

Jeremiah 37:6-10

Then the word of the Lord came to the prophet Jeremiah, saying, "Thus says the Lord, the God of Israel, 'Thus you shall say to the king of Judah, who sent you to Me to inquire of Me: "Behold, Pharaoh's army which has come up to help you will return to Egypt, to their own land. And the Chaldeans shall come back and fight against this city, and take it and burn it with fire.'" ' Thus says the Lord: 'Do not deceive yourselves, saying, "The Chaldeans will surely depart from us," for they will not depart. For though you had defeated the whole army of the Chaldeans who fight against you, and there remained only wounded men among them, they would rise up, every man in his tent, and burn the city with fire.' "

It has been said that Australia experienced the darkest Summer on record due to the bush fire crisis. Australia is about to experience the darkest Winter on record from a fire of another kind.

Psalms 27:5

For in the time of trouble
He shall hide me in His pavilion;
In the secret place of His tabernacle
He shall hide me;
He shall set me high upon a rock.

Romans 10:9-11

You will be saved if you; Confess with your mouth Jesus Christ is Lord, and believe in your heart God raised Him from the dead. With the heart one believes unto righteousness, and with the mouth confession is made unto salvation. Whoever believes in Jesus Christ will be saved.

Acts 4:12

Nor is there salvation in any other, for there is no other name under heaven given among men by which we must be saved.

A Vision of Italy & Iraq

Received 10 May 2020

I was in an unknown country at a military controlled border that was secured by high security fencing and heavily armed military personnel.

There were many people waiting at this particular gate and the crowd was somewhat restless however not hostile. The crowd was civil although the people were generally anxious.

The soldiers began directing people to the gate to my right to enter Italy if they were Italian and the gate to my left to enter Iraq if they were Iraqi.

The crowd eagerly moved forward and dispersed as directed in an orderly manner. I entered the gate to Italy. Vision ended

The meaning and importance of this vision is unknown to me at this stage. If the Lord reveals more information I will provide an update below these comments. Regular readers of this Prophecy Chronicle and The Boiling Pot book are aware that I typically refrain from commenting or researching subject matter relating to visions to avoid speculative and potentially false commentary. I simply wait on the Lord and wait for His direction.

Psalm 37:7

Be still before the Lord and wait patiently for him.

2 Kings 4:27

Now when she came to the man of God at the hill, she caught him by the feet, but Gehazi came near to push her away. But the man of God said, "Let her alone; for her soul is in deep distress, and the Lord has hidden it from me, and has not told me."
